A Quarterly Newsletter from Paramount Drywall and Paramount Stucco

CELEBRATING OUR 25TH YEAR IN BUSINESS!!

Projects in the Works

As our staff writes the copy for this Newsletter the Holidays are in full swing. Thanksgiving has come and gone and Christmas is just around the corner. Winter will be here in a few days and hopefully it will bring cooler weather. We want to take this opportunity to wish you a very happy and prosperous new year 2010. Thank you for your business and continued support during these last 25 years.

As we finalize 2009 we are very proud to share with you that Causeway Square Mixed Used Building and Parking Garage in North Miami are almost finished. The scope of our work included metal framing, insulation, drywall, and stucco/EIFS. We congratulate Link Construction for the beautiful execution of all the work on this magnificent project.

The metal framing and drywall contract is continuing on schedule at The University of Miami Alumni Center in Coral Gables, Florida with Arellano Construction. We are also excited to begin work for Arellano Construction on our second Baptist Medical Plaza. This new medical center is located in Davie, Broward County, Florida where we will be taking care of the metal framing and drywall.

This fall we completed the drywall and stucco work for a new Suntrust Bank branch in Wilton

Causeway Square for Link

Manors, Florida for New Urban Communities and we started the drywall contract of a Walgreen's drugstore in North Miami for Link Construction Group. New Urban has been a loyal client of Paramount giving us substantial work for many years. At Paramount we will eagerly do the big jobs for our clients and we are enthusiastically committed to complete their smaller jobs as well. Remember, customer service and your complete satisfaction are our priorities. ■

Our Featured Friend

Ruth Jimenez, Vice President and Branch Manager U. S. Century Bank

Ruth Jimenez is Vice President and Branch Manager at U.S. Century Bank, a small, local bank with a big vision—YOU! In business since 2002, U.S. Century has grown to 25 branches in Dade and Broward counties. A banker that truly cares about your business and earns it every time you give her the chance, Ruth is all about good, old-fashioned customer service. If you can't come to her branch on Miami's Brickell Avenue—no problem, she will come to you to earn your business. You can't get

to the branch to make a deposit—no problem, she will come to you to pick it up or set up remote deposit right at your desk. Internet banking, bill pay, direct deposit? No problem! She has it all...from personal and business checking accounts to real estate loans and home equity lines of credit. Maybe you are a client at a big bank that no longer wants your business or maybe you are just tired of impersonal, big bank customer service? **Contact Ruth at (305) 403-7455, Fax (305) 403-7469, email: rjimenez@uscentury.com.** ■

Paramount's Custom Home Division

Did you know Paramount has a custom home division? That's right! Only our best drywall and stucco crews are allowed to work on the custom homes we help build. Whether you are building a modest size home or a palatial estate, our custom home division shares your passion for excellence in customer service and craftsmanship that only your dream home deserves. We are a one stop shop for your metal framing and drywall systems as well as lath and plaster finishes. From circular walls, coffered or tray ceilings, curved soffits, barrel ceilings, groin vaults, arches, wall units, niches, wall and ceiling textures, raised stucco bands, reveals, to simulated wood siding and more. We

have been doing it all for 25 years. Our customers include some of the most discriminating custom home builders in Central and Southern Florida.

For a free estimate contact our Sales Department at (800) 203-9255. ■

Paramount in our Community

This holiday season Paramount and seventeen of its employees and family members participated as volunteers to help build a home for Habitat for Humanity in Liberty City, Dade County, Florida. Our volunteers hung drywall and installed roofing shingles alongside one very lucky homeowner that will occupy this Habitat for Humanity home built entirely of volunteer labor. We encourage all our friends, suppliers and clients to donate their time to this great cause that is making a tremendous difference all over the world building affordable housing to people in need. Although it was very hard work, all our employees were thrilled to have had the pleasure of taking part in such a rewarding experience. ■
